

Regional School of Ballet

Studio Sponsorship Form

Regional School of Ballet is inviting local business to sponsor community dancers. Your sponsorship provides you the opportunity to advertise at RSB performances, on the website and in the studio. Annual studio sponsorships help RSB dancers defray the increasing costs for theater rental and technicians, prop and costume expenses and program costs.

Children in dance learn to focus their attention, to concentrate and to follow directions. Dance allows children to explore their own creativity and capacity to respond to music through dance. Dance welcomes everyone and neglects no one.

Under the direction of Shelly Svoboda, Regional School of Ballet has been providing a positive, enriching atmosphere for beginning to advanced level students since 1987. RSB offers a number of performance opportunities to dance students in the community, including The Nutcracker, The Dance Gallery, the Lilac Fairy Tea, and the annual RSB Recital.

Multiple sponsorship levels are available to fit any advertising budget. If you are interested in sponsoring The Regional School of Ballet, please complete this form and forward your donation to:
